Prague: A Cultural Guide-

fields of music, literature and
film are well known: Mozart

writers such as Milan Kundera and film directors such as Milos Forman chronicled Prague's fortunes under communism. Yet the city has a cultural heritage that runs far deeper than Kafka museums and Mozart-by-candlelight concerts. It encompasses the avant-garde punk group Plastic People of the Universe, the "new wave" film directors of the 1960s who made their striking movies in the city's famed Barrandov studios, and artists such as Alfons Mucha and Frantisek Kupka whose revolutionary canvases fomented Art Nouveau and abstract art at the dawn of the twentieth century. Beyond art galleries, concert halls and cinemas the history of Prague has been one of invasion and sometimes brutal oppression. The great German chancellor Otto von Bismarck once commented that "whoever controls Prague, controls mid-Europe" and a succession of imperialist powers have taken this advice to heart, most recently Nazi Germany and the Soviet Union. Opposition has taken many forms, from the religious reformer Jan Hus in the fifteenth century to

playwright and dissident Václav Havel, whose elevation to the Czechoslovak presidency in 1990 made him a symbol of the rebirth of democracy in Eastern Europe. In this book Andrew Beattie also reflects on the modern city, where bold new buildings such as Frank Gehry's "Dancing House" rub shoulders with monuments from the Gothic and Baroque eras such as the Charles Bridge and St. Vitus' Cathedral. He considers the suburbs too, home to world-renowned soccer and ice hockey teams, gleaming shopping centers and grim communist-era apartment blocks that are often home to Vietnamese, Romany and Muslim minority groups who live in a city with a growing international outlook. The Prague he reveals is an increasingly confident and diverse city of the new Europe.

Avant Guide Prague-Dan Levine 1998 Out of touch with modern travelers and unconcerned with contemporary lifestyles and interests, moat guidebook

writers are unexciting and colorless, advising their renders to "pack a rain poncho" and "wear comfortable shoes". Not so with the Avant Guide series, which commands "Refuse to Be a Tourist!" as its tagline. Both up-to-date and up-to-speed, these travel guides combine colorized photos, interesting graphics, clever features, and coverage of current cultural scenes for the playful look of a top-notch urban magazine.

Comprehensive and filled with maps, charts, photographs, and no-holds-barred advice on sights, restaurants, hotels, nightlife, shopping, and more, Avant Guide Prague is as practical as it is fun to read. It offers the first word on what's new in that fascinating city, and the last word on everything else, with the inside scoop on film, music, art, and literature. As with the other books in the series, it makes heavy use of nontraditional type faces, undulating text, and other eye-catching design elements. The semisoft covers are extremely durable, enjoyable to hold, and, as a style accessory in themselves, don't

make their users stick out like guidebook-toting tourists. Travelers to Prague will appreciate the book's coverage of transportation, money, essential services, fitness and sports, "meals after midnight", cafes and tea rooms, day trips, overnight excursions, and helpful before-you-go planning tips. With Avant Guide Prague, readers will confidently explore Old Town, The Jewish Quarter, Mala Strana, and New Town; find bars, pubs, restaurants, and discos to their liking; see the best museums, exhibits, theater, and musical performances; and otherwise divehead-first into Prague's cultural delights without having to research them or think twice. Advice is given by people at the epicenter of each scene, including Oscar-winning director Jan Sverak, pop star Lucie Bila, parliament speaker Stanislav Gross, bestselling novelist Michael Vieweigh, and a dozen more.

Prague-Charles Bryant
2021-05-04 A poignant reflection on alienation and belonging, told through the lives of five remarkable people who struggled against nationalism and intolerance in one of Europe's most stunning cities. What does it mean to belong somewhere? For many of Prague's inhabitants, belonging has been linked to the nation, embodied in the capital city. Grandiose medieval buildings and monuments to national heroes boast of a glorious, shared history. Past governments, democratic and Communist, layered the city with architecture that melded politics and nationhood. Not all inhabitants, however, felt included in these efforts to nurture national belonging. Socialists, dissidents, Jews, Germans, and Vietnamese—all have been subject to hatred and political persecution in the city they called home. Chad Bryant tells the stories of five marginalized individuals who, over the last two centuries, forged their own notions of belonging in one of Europe's great cities. An aspiring guidebook writer, a German-speaking

newspaperman, a Bolshevik carpenter, an actress of mixed heritage who came of age during the Communist terror, and a Czech-speaking Vietnamese blogger: none of them is famous, but their lives are revealing. They speak to tensions between exclusionary nationalism and on-the-ground diversity. In their struggles against alienation and dislocation, they forged alternative communities in cafes, workplaces, and online. While strolling park paths, joining political marches, or writing about their lives, these outsiders came to embody a city that, on its surface, was built for others. A powerful and creative meditation on place and nation, the individual and community, Prague envisions how cohesion and difference might coexist as it acknowledges a need common to all.
