Summer People Brian Groh 2009-10-06 A tremendously appealing and mordantly funny novel for fans of Richard Russo and Curtis Sittenfeld, about friendship, compassion, and social privilege. *Summer People* tells the story of Nathan Empson, a young college dropout and aspiring graphic novelist who has just accepted the most unusual job of his life. In exchange for serving as a summer "caretaker" for Ellen Broderick, the eccentric matriarch of Brightonfield Cove, Maine, Nathan will earn a generous salary and gain access to one of the last bastions of old New England wealth—an exclusive coastal community the likes of which he has never known. It seems at first like easy money: accompanying Ellen to the immaculate Alnombak Golf and Tennis Club, or joining her for an evening of cocktails and conversation at a neighbor's mansion overlooking the anchored yachts of Albans Bay. But not everyone in the community is welcoming—or even civil—to someone they regard as an interloper. So Nathan finds solace in the companionship of a philosophical, ex-punk Episcopalian pastor, and the alluring nanny of the pastor's children, a feisty, dark-eyed beauty named Leah. Nathan invites Leah for walks and late-night picnics on the beach, yet as his relationship with her deepens, he finds it difficult to ignore his employer's unexpectedly unnerving behavior. With each escalating mishap, a new aspect of Ellen's colorful past comes to light, exposing the secret lives of her old friends, flames, and enemies, as well as the story behind a scandalous incident Nathan must prevent her from repeating—however inept his efforts may be. In this big-hearted, immensely satisfying debut novel, Nathan must contend with competitors for Leah's affection and with an increasing suspicion that Ellen needs more help than he can provide. But sounding the alarm over Ellen's condition would mean leaving her beachside home, his summer job, and the romance that may well change his life.

Finding Mrs. Ford Deborah Goodrich Royce 2019-06-25 Mrs. Ford leads a privileged life. From her Blenheim spaniels to her cottage on the coast of Watch Hill, Rhode Island, she carefully curates her world. Hair in place, house in place, life in place, Susan Ford keeps it under control. Early one morning in the summer of 2014, the past pays a call to collect. The FBI arrives to question her about a man from Iraq—a Chaldean Christian from Mosul—where ISIS has just seized control. Sammy Fakhouri, they say, is his name and they have taken him into custody, picked up on his way to her house. Back in the summer of 1979, on the outskirts of a declining Detroit, college coed Susan meets charismatic and reckless Annie. They are an unlikely pair of friends but they each see something in the other—something they'd like to possess. Studious Susan is a moth to the flame that is Annie. Yet, it is dazzling Annie who senses that Susan will be the one who makes it out of Detroit. Together, the girls navigate the minefields of a down-market disco where they work their summer jobs. It's a world filled with pretty girls and powerful men, some of whom—like Sammy Fakhouri—happen to be Iraqi Chaldeans. What happened in that summer of 1979 when Susan and Annie met? Why is Sammy looking for Susan all these years later? And why is Mrs. Ford lying?
